Kenan J. Kern
District Governor - 6920

District Governor Kenan Kern announced during Peach State PETS last year that one of the most important issues our society is faced with throughout our Rotary District is the need to improve literacy levels for our youth of today. DG Kern's announcement supports RIP D.K. Lee's efforts to reduce the 30,000 lives of youth lost each day in the world. Literacy is one of the major emphasis areas that both Governor Kern and President Lee are jointly working together to bring success for the future as well as eliminate avoidable deaths in our youth. Partnerships give all of us hope to find, develop and implement programs and goals to make a difference. Working together on literacy ideas and projects will bring improvements to Literacy in District 6920 as well as throughout each Rotary District in Georgia.

I encourage your attendance to the Rotary state-wide Literacy Conference at The Carter Center on Saturday, February 21, 2009. Your attendance WILL benefit many lives.
